A written Character Transcript (Simplified and Traditional) is available electronically. The downloadable materials feature: 40 videos with dozens of native speakers filmed on location in mainland China, Hong Kong, Macao, Taiwan, Singapore, and Malaysia. 6 hours of native-speaker audio, including all of the book's conversations. Build up sections, new words, and pronunciation exercises. Available separately, Basic Spoken Chinese Practice Essentials is the companion workbook for Basic Spoken Chinese. This practical guide includes a broad range of drills and exercises designed to dramatically enhance your proficiency in speaking and comprehending. While designed for use with the companion textbook, it can be used together with any Chinese textbook or teaching program to hone your Chinese language skills.

**Intermediate Spoken Chinese**-Cornelius C. Kubler 2016-02-03 Welcome to the world's most efficient method of learning Mandarin Chinese, whether you are striving to learn Chinese on your own, or studying in a classroom setting. Part of the widely-used and highly acclaimed Kubler series, Intermediate Spoken Chinese provides separate but integrated "tracks" to help you learn to read, write and speak Chinese efficiently, at your own pace. Some students and teachers wish to emphasize speaking ability first, whereas others want to focus on learning to read and write Chinese at the same time. These Chinese language study books allow you the flexibility to acquire the spoken language and the written language with the method that best fits your needs. Intermediate Spoken Chinese allows you to experience real-life situations in different Mandarin-speaking locales. (It also exposes you to the authentic range of Chinese accents; you're not limited only to learning an imaginary "textbook Beijing accent" as in other books). Each of the everyday situations explored here—from shopping at a market to playing unexpected phone tag—is one you're likely to encounter as you interact with Chinese language speakers. You can choose to use this book with its corresponding Intermediate Chinese Practice Essentials Workbook, available separately, that offers you a wide range of one-of-a-kind activities to help you practice the language skills you learn here. Key features of Intermediate Spoken Chinese: Clear and detailed explanations of natural, colloquial Chinese grammar, pronunciation and usage Recommended strategies to help you learn to speak Chinese more efficiently Experience the actual speaking styles of Chinese people in various parts of mainland China as well as Taiwan, Macao, Hong Kong, Singapore, and Malaysia Notes on Chinese culture and society allow you to understand situational etiquette Discussions of challenges faced specifically by English speakers who are learning Chinese and how to overcome them Downloadable audio recordings by native speakers of all the vocabulary, dialogues, and other vital items A separate Teacher's Guide and a full character transcript (Simplified and Traditional) are both available electronically Accompanying digital content contains 56 videos shot on location, which allows you to view conversations involving Chinese speakers from different parts of China Feel confident traveling in the Mandarin-speaking world; with this language learning set you will be speaking Chinese gracefully and fluidly in no time.

**Intermediate Written Chinese Practice Essentials**-Cornelius C. Kubler 2015-12-01 Learning to read and write Chinese requires lots of practice. This unique practice guide can be used with any Chinese textbook or on its own to enhance your proficiency in reading and writing Mandarin Chinese. Intermediate Written Chinese Practice Essentials offers a wealth of carefully-designed exercises and activities to help you develop every aspect of your reading and writing ability. This workbook has been designed so it can be used either in a class with an instructor or by independent learners working on their own. Both simplified and traditional characters are taught and practiced in the same volume. This means students can learn either or both kinds of characters without having to purchase another book, and instructors have the flexibility to teach a combined class where some students read and write one type of characters and other students the other type. This workbook provides character practice sheets for the 336 characters introduced in Intermediate Written Chinese, with complete information on stroke order and direction for both the simplified and traditional forms of the characters. Reading and writing exercises are included, such as those involving dictation and the answering of questions based on the content of each lesson. English-Chinese translation exercises are provided for each unit. The Downloadable content provides: Native-speaker audio recordings for dictation practice. Printable flash cards for all the new characters and words, with Chinese characters on one side and Pinyin and English on the other. Printable pdf files with additional exercises and activities. Together with this book, you can use Intermediate Spoken Chinese if you want to learn fluent spoken Mandarin. About the Series: Respected Chinese language expert Dr. Cornelius Kubler, who has taught diplomats, business people and students, presents a learning system that uses separate but integrated "tracks" to help you efficiently master the basics of spoken and written Chinese. The materials in the Basic Chinese series allow you to move from complete beginner level to basic fluency.

**Basic Mandarin Chinese - Speaking & Listening Practice Book**-Cornelius C. Kubler 2017-11-07 This comprehensive Mandarin workbook can be used with any textbook or on its own to dramatically enhance your Mandarin speaking and listening skills. No matter what textbook you're using to learn Mandarin, it requires a lot of practice. Here is a wealth of effective activities and drills—plus over 16 hours of audio recordings—to help you improve your spoken Mandarin Chinese quickly and effectively. This book follows the Basic Mandarin Chinese—Speaking & Listening textbook but works equally well with other coursebooks or on its own. The free disc contains hours of audio recording as well as printable PDF files providing hundreds of pages of extra practice exercises and activities. Basic Mandarin Chinese—Speaking & Listening Practice Book includes hundreds of carefully designed activities to help you with every aspect of your speaking skills, including: Pronunciation exercises Vocabulary and Grammar summaries Substitution drills Transformation and Response drills Role Playing and Listening Comprehension Dictation exercises Translation exercises The downloadable audio includes: 16 hours of audio recordings by native Mandarin speakers Printable practice pages Printable exercises and activities About the Basic Mandarin Chinese series: Respected Chinese language educator Dr. Cornelius Kubler has taught Mandarin Chinese to diplomats, business people and students for several decades—using an effective learning system with two separate but integrated "tracks" to help you learn the spoken and written forms of the language more efficiently and more successfully. The materials in this series have been acclaimed as a breakthrough in Mandarin Chinese language learning.

**Basic Written Chinese**-Cornelius C. Kubler 2012-03-09 This is a beginning-level course in written Chinese that employs a revolutionary new method designed to have you quickly reading and writing simple, connected Chinese sentences. Along with its sister book Basic Spoken Chinese and their accompanying workbooks, Basic Written Chinese offers a complete introductory course to the written Chinese language. As a native English speaker, working hard to learn Chinese characters is not enough; you have to work smart in order to learn this very different language efficiently. No matter why you've chosen to learn Chinese—for business, travel, cultural studies or another goal—the Basic Chinese approach of two separate but integrated tracks in spoken and written Chinese will help you learn this language most efficiently and successfully. Basic Written Chinese is designed so it can be used in a class with an instructor or by independent learners working on their own. Basic Written Chinese systematically introduces 288 of the highest frequency characters (in both their simplified and traditional forms) and over 700 common words written with them in context in sentences and a variety of reading passages to help you master basic Chinese reading and writing. This method will greatly improve your abilities to read Chinese and write Chinese The structure of each new character is explained in detail to make the learning of characters easier, and "look-alike" characters are compared and contrasted. Many lessons include character differentiation drills and some lessons include realia such as name cards, street signs, or email messages. Each lesson introduces 6 to 6 new characters and a number of words that are written using them. By dividing the leaning into small tasks, you maintain a sense of accomplishment rather than getting bogged down. You'll experience both printed and handwritten forms of characters, as well as several different printed fonts. The downloadable audio features: Over 6 hours of audio by several native Mandarin speakers. Recordings of all reading selections. Recordings of all new characters and new vocabulary. Available separately, Basic Written Chinese Practice Essentials is the companion workbook for Basic Written Chinese. This practical guide includes a broad range of drills and exercises designed to dramatically enhance your proficiency in reading and writing Chinese. While designed for use with the companion textbook, it can be used together with any Chinese textbook or teaching program to hone your Chinese reading and writing language skills.

The free audio and video recordings included with this book reinforce the content and make the learning process easy. No matter whether you're learning Mandarin for work, travel or other reasons—the Basic Mandarin Chinese approach of having two separate but integrated "tracks" helps you to learn the language more efficiently and more successfully. Key features of this Chinese textbook and discs include: Clear and detailed pronunciation, grammar and cultural explanations Exercises and activities based on real-life experiences in China Hours of video recordings filmed on location featuring dozens of native speakers in various parts of China and beyond Six hours of native-speaker audio recordings for all the book's dialogues and exercises Special software allowing you to interact with the recordings. This Mandarin textbook is designed to be used with its separately available workbook, Basic Mandarin Chinese—Speaking & Listening Practice Book which provides a range of drills and exercises designed to dramatically enhance your spoken proficiency and improve your Chinese language skills.

**Tuttle Learning Chinese Characters**-Alison Matthews 2011-12-20 This user-friendly book is aimed at helping students of Mandarin Chinese learn and remember Chinese characters. At last—there is a truly effective and enjoyable way to learn Chinese characters! This book helps students to learn and remember both the meanings and the pronunciations of over 800 characters. This otherwise daunting task is made easier by the use of techniques based on the psychology of learning and memory. key principles include the use of visual imagery, the visualization of short "stories," and the systematic building up of more complicated characters from basic building blocks. Although Learning Chinese Characters is primarily a book for serious learners of Mandarin Chinese, it can be used by anyone with an interest in Chinese characters, without any prior knowledge of Chinese. It can be used alongside (or after, or even before) a course in the Chinese language. All characters are simplified (as in mainland China) but traditional characters are also given, when available. Key features: Specially designed pictures and stories are used in a structured way to make the learning process more enjoyable and effective, reducing the need for rote learning to the absolute minimum. The emphasis throughout is on learning and remembering the meanings and pronunciations of the characters. Tips are also included on learning techniques and how to avoid common problems. Characters are introduced in a logical sequence, which also gives priority to learning the most common characters first. Modern simplified characters are used, with pronunciations given in pinyin. Key information is given for each character, including radical, stroke-count, traditional form, compounds, and guidance on writing the character. This is a practical guide with a clear, concise and appealing layout, and it is well-indexed with easy look-up methods. The 800 Chinese characters and 1,033 compounds specified for the original HSK Level A proficiency test are covered.

**Basic Mandarin Chinese - Reading & Writing Practice Book**-Cornelius C. Kubler 2017-10-17 This comprehensive Chinese character workbook can be used with any textbook or on its own to dramatically enhance your Mandarin reading and writing skills! aspect of your reading and writing skills, including: Character writing practice sheets Dictation, fill-in-the-blank, and dialog completion exercises Answering questions, reading maps, converting written style to spoken style Identifying radicals and phonetics, punctuating sentences Writing tasks based on real-life schedules, photographs and name cards Translation exercises The accompanying disc contains: Audio recordings by native Mandarin speakers Hundreds of printable practice pages A printable set of 288 Chinese flashcards about the Basic Mandarin Chinese series: Respected Chinese language educator Dr. Cornelius Kubler has taught Mandarin Chinese to diplomats, business people and students for several decades—using an effective learning system with two separate but integrated "tracks" to help you learn the spoken and written forms of the language more efficiently and more successfully. The materials in this series have been acclaimed as a breakthrough in Mandarin Chinese language learning.

**GRE 4000**-Jeff Kolby 2021-01-15 The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques—you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: \* 4000 Words Defined \* Word Analysis section \* 200 Prefixes, Roots, and Suffixes \* Concise, practical definitions

**Living by Vow**-Shohaku Okumura 2012-06-26 A Sot Zen priest and Dharma successor of Kosho Uchiyama Roshi explores eight of Zen's most essential and universal liturgical texts and explains how the chants in these works support meditation and promote a life of freedom and compassion.

**The Essential Listening to Music**-Craig Wright 2015-01-01 Offering outstanding listening pedagogy, THE ESSENTIAL LISTENING TO MUSIC 2e delivers a streamlined and succinct presentation of classical music that inspires a lifelong appreciation of music. Scholar and master-teacher Craig Wright focuses on the key concepts and works presented within a typical Music Appreciation course. Organized chronologically, the text discusses musical examples from each historical period within its social context—giving students a sense of a piece's construction as well as its historical and cultural meaning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Essential Chinese**-Philip Yungkin Lee 2013-09-03 This portable, user-friendly Chinese language guide, phrasebook and dictionary is the cheapest and easiest way to learn Chinese before and during your trip. If you only want one Chinese language book—Essential Chinese is the way to go. Part of Tuttle Publishing's Essential Phrasebooks Series, it is a great first introduction and beginner guide to the language of China and Taiwan and is also designed as a great Chinese phrasebook, making it the most versatile Chinese language learning tool on the market. Perfect for business people or tourist traveling to China or for students who want to supplement their learning, this book's easy indexing feature allows it to act as a Mandarin phrase book or as English-Chinese Dictionary. A clever "point to" feature allows you to simply point to a phrase translated in Chinese without the need to say a single word or read a single character. You will soon find yourself turning to Essential Chinese again and again when visiting or working in China. In this book you will find: Over 1500 practical sentences for everyday use. A glossary of over 2000 terms and expressions. Terms and phrases covering essential aspects of traveling and living in China. Extensive information about Chinese grammar and pronunciation. This beginner Chinese book will help you quickly and easily learn Chinese. Your ability to read Chinese, write Chinese, speak Chinese, and comprehend Chinese will be vastly improved without having to take an entire Chinese language class. Other titles in this bestselling series of phrasebooks include: Essential Japanese, Essential Arabic, Essential Korean, Essential Tagalog, and Essential Arabic.

**Elementary Mandarin Chinese Textbook**-Cornelius C. Kubler 2020-03-10 Elementary Mandarin Chinese Textbook is a new beginner Mandarin Chinese course which enables you to quickly learn the basics of the language. The 24 lessons in this book are meant to be used in 3 hours per week of class instruction over one academic year. Students will need another 2-3 hours of outside practice and review for every hour of class time, using the materials in the accompanying Elementary Mandarin Chinese Workbook. These books can also be used by self-study learners due to the extensive explanations and free supplementary materials available — including online audio and video recordings and flash cards. The entire course can be completed in 25 to 35 weeks and teaches you the basic skills of speaking, reading and writing Mandarin Chinese at a conversational level. Each lesson starts with a dialogue and includes a list of new and supplementary Chinese vocabulary along with questions and grammar notes about the dialogue, a reading section and extensive exercises (that are in the Workbook). Elementary Mandarin Chinese Textbook offers the following significant advantages over other similar textbooks: Common, everyday Chinese dialogues are used—complete with vocabulary lists and questions and stories based on actual everyday experiences in China Chinese grammar is explained in simple, non-technical terms with useful notes and tips given Reading exercises are provided for all new words and phrases in each lesson Free online audio recordings by native speakers from different regions of China help you not only acquire correct pronunciation, but also to understand Chinese speakers who have different accents Illustrations and supplementary video clips add authenticity to the materials in the book A Chinese-English dictionary, downloadable flash cards and supplementary exercises are all provided Both Chinese characters and Pinyin Romanized forms are given throughout the book (except for the reading exercises), so this book can be used by students who wish to focus on learning the spoken language, as well as those who are learning to read and write the Chinese characters simultaneously. This textbook should be used in conjunction with Elementary Mandarin Chinese Workbook and the included audio files, which can be downloaded free directly from the Tuttle website.

**In the Shadow of Slavery**-Leslie M. Harris 2004-08-01 "The black experience in the antebellum South has been thoroughly documented. But histories set in the North are few. In the Shadow of Slavery, then, is a big and ambitious book, one in which insights about race and class in New York City abound. Leslie Harris has masterfully brought more than two centuries of African American history back to life in this illuminating new work."—David Roediger, author of The Wages of Whiteness In 1991 in lower Manhattan, a team of construction workers made an astonishing discovery. Just two blocks from City Hall, under twenty feet of asphalt, concrete, and rubble, lay the remains of an eighteenth-century "Negro Burial Ground." Closed in 1790 and covered over by roads and buildings throughout the nineteenth and twentieth centuries, the site turned out to be the largest such find in North America, containing the remains of as many as 20,000 African Americans. The graves revealed to New Yorkers and the nation an aspect of American history long hidden: the vast number of enslaved blacks who labored to create our nation's largest city. In the Shadow of Slavery lays bare this history of African Americans in New York City, starting with the arrival of the first slaves in 1626, moving through the turbulent years before emancipation in 1827, and culminating in one of the most terrifying displays of racism in U.S. history, the New York City Draft Riots of 1863. Drawing on extensive travel accounts, autobiographies, newspapers, literature, and organizational records, Leslie M. Harris extends beyond prior studies of racial discrimination by tracing the undeniable impact of African Americans on class, politics, and community formation and by offering vivid portraits of the lives and aspirations of countless black New Yorkers. Written with clarity and grace, In the Shadow of Slavery is an ambitious new work that will prove indispensable to historians of the African American experience, as well as anyone interested in the history of New York City.

Stay tuned for details.

**Globish the World Over**-Jean-Paul Nerriere 2009 "I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations."

The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.

**Lady Star**-Claudy Conn 2014-03-15 Never, in all her twenty years of life, had Star Berkley seen the likes of Sir Edward. He was so damned arrogant, so damned fashionable, and so damned insolent-and he was the most handsome man she had ever come across! Sir Edward, for his part, could do without the pert country airs of a chit like Miss Berkley. She was impish, plain-spoken, and obviously not his sort, which was just as well, for it seemed she had stolen the heart of his closest friend. Then Sir Edward stumbled onto a most sordid secret: the Berkleys' estate teetered on ruination, and brother and sister were being brutally blackmailed by a vile den of thieves. Sir Edward meant to save them, if Star would allow him, and he was a determined man, determined that she would allow him ... everything.

Yuehua Liu 2008-01-01 Cheng & Tsui's best-loved Chinese textbook series is new, revised, and better than ever!

**Rheology**-Christopher W. Macosko 1994 Rheology: Principles, Measurements, and Applications will be of greatest interest to chemical engineers, chemists, polymer scientists, and mechanical engineers, as well as students in these and related fields.

**Englishpath.org Fun English Conversation Activities Workbook**-Robert Reed 2017-03-23 English conversation practice exercises. Teach English the fun way! Learn English the fun way! Comprising a collection of lesson worksheets with fun games, quizzes, competitions, amusing texts, unusual questions, humorous dialogues, discussion suggestions and role plays, Englishpath is an invaluable coursebook for English teachers and intermediate and advanced learners. The activities help establish a relaxed studying environment in which students feel encouraged to experiment with language and build their confidence speaking English, be it just out of interest or in preparation for the speaking part of IELTS or other formal testing. It is structured as a coursebook for English language courses - primarily targeting secondary school and university students studying English as a second or additional language - although it works as well for older age groups and more advanced English learners too. The book has 12 lesson units with teaching notes and key included. Each lesson unit has a combination of individual, paired and group activities and numerous ideas for promoting discussions. To increase the learner's interest, the students are brought closer to the contemporary culture and aspects of everyday life in English speaking countries. The topics are concentrated on the shared interests of teenagers and young adults worldwide; selected themes range from popular free-time interests like television, music, fashion, food and holidays as well as professional subjects such as jobs, money, politics and science. Englishpath is a great workbook to help teachers deliver excellent lessons, make the lessons fun and keep the learners motivated and interested in learning English.

**Essentials of Nursing Research**-Denise F. Polit 2013-01-28 This eighth edition of Essentials of Nursing Research, written by AJN awardwinning authors, along with its accompanying Study Guide for Essentials of Nursing Research, student learning ancillaries, and instructor teaching materials present a unique learningteaching package that is designed to teach students how to read and critique research reports, and to appreciate the application of research findings to nursing practice.New to this edition: New text organization with separate sections on quantitative and qualitative research offer greater continuity of ideas to better meet the needs of students and faculty. New online chapter supplements for every chapter expand student's knowledge of research topics New chapter on mixed methods research, which involves the blending of qualitative and quantitative data in a single inquiry, responds to the surge of interest in this type of research Increased emphasis on evidencebased practice (EBP) especially in the areas of asking wellworded questions for EBP and searching for such evidence guides the reader from theory to application. Enhanced assistance for instructors with numerous suggestions on how to make learning aboutand teachingresearch methods more rewarding.

This book will set you free in the name of Jesus. All you have to do is believe!

**The Anarchist's Guide to Grammar**-Val Dumond 2012-02-01 The Anarchist's Guide to Grammar: "Banish the "rules" of grammar in the U.S.!" is the revolution called for by author Val Dumond. "Scary? Of course, but drastic measures must be taken. Just look at the state of language today! The time is now! Stand up and reclaim it!" "We've been taking U.S. language for granted," claims this long-time writer. We make several assumptions: 1) that we have a language called "Proper English"; 2) that a set of "rules" lies in some mysterious place, written by some mysterious authority; 3) that one must follow those "rules" to speak and write correctly. Not so! The time has arrived to banish what we call "rules" and expose the assumptions." Dumond asks: What would happen if we all spoke the language of our heritage? We would quickly learn the sound of the Tower of Babel - since US-language has come about by combining languages from (at least) 150 countries around the world. As immigrants enter the country, they bring with them new ideas, cultures, foods, music, and language. As they become settled, they combine their culture with US-ers, thus enriching all of us in the United States, including our language. In an amusing Introduction, Val explains how we have assumed there exists an incontrovertible set of grammar "rules" to be followed in order to speak proper, correct, good English. "We're not in England anymore!" she points out. Oh yes, we started out with British "rules," but as we declared our independence, language changed, and continues to change. Do you really understand ordinary British English? Numerous pundits over time have drawn up what they consider the "rules" of grammar and forced them on their students. Yet, when those students run up against someone who studied a different set of "rules," confusion and doubt rear their heads. Must we in the U.S. speak "proper English" or do we have a language all our own? After clarifying the conundrum of US-language, Dumond offers guidelines to aid writers in determining what constitutes understandable language. Those guidelines don't depend on memorizing all the crazy names for the parts of language, but rather the guidelines focus on how those parts function. Nouns and pronouns become Things; adjectives and adverbs become Modifiers; punctuation becomes Rules of the Road - all presented in easily understood language, with examples to boot. Included in the guidelines are ways to decide which nouns to capitalize how to discern the difference between plural and possessive nouns how pronouns perform ways to vary word modifiers how to add modifying phrases and clauses use of the little words that serve as the glue to connect words into sentences how to use the dots, dashes, and curly cues we call punctuation. But she doesn't stop there. Writers will especially enjoy the freedom offered to create new words and put together sentences and paragraphs. She offers suggestions to use numbers and inclusive language, as well as offering four ways to improve spelling. The solution to the confusion of US-language seems so simple. Look at the "rules" that come close to your interpretation, then modify them to make them work for you. Set up Your Style Manual, rather than depend on style manuals put together according to some other group's interpretations. And she shows you how. All this is included in The Anarchist's Guide to Grammar: toss out the assumptions, clarify them, pick up some basic, helpful guidelines, and write with power and assurance. No longer will you need to ask, "What are the rules for writing Proper English?" At last, you'll understand why there aren't any. At last you can write your own guidelines.

**Social Mastery Made Simple**-Devra Ryker 2014-04-23 "Social Mastery Made Simple is a comprehensive social skills program developed for children and adolescents with learning disabilities. Students will learn every aspect of social interaction, from the simple to the complex"--Back cover.

**The Catskills**-Adam Cornell 2012-12-03 Some come to escape the city life. Others come to escape their past. Sometimes there's no escaping it. The Northern Catskill Mountains have always held a certain mystique and draw for those who just want to leave it all behind. Those who call the Catskills home have grown accustomed to the peace and serenity. But every few decades the outside world finds its way in, with violent consequences. Chance encounters, family secrets, destructive relationships and the forces of nature all combine for an explosive ending that could only happen in The Catskills.
