Diana-Andrew Morton 1998-10-01 The sudden and tragic death of Princess Diana caused the world to reflect on how much this singular woman meant to us all. This new edition of her life story -- which includes Diana's personal recollections in her own words, as well as an account of the events surrounding her death -- poignantly strengthens her hold on our hearts. From her fairy-tale wedding and the births of her two wonderful boys to the stunning collapse of her marriage, Diana's luminous but troubled life transfixed millions. Despite enduring heartbreak, illness, and depression, she never wavered in her commitment to the less fortunate, or in her determination to make a better life for herself and her sons. This revealing book is the closest we will ever come to her autobiography -- a lasting and powerful testament to her courage and spirit.

Diana-Andrew Morton 2013-10-01 When Andrew Morton's world-famous biography, Diana: Her True Story, was first published, it caused a media frenzy, and shook the British Establishment to its foundations. Later revealed as having been written with the Princess's full co-operation, this international bestseller is now widely regarded as her official biography. Yet it was not the full story, as in all the sound and fury of its publication, Diana began a journey - a courageous evolution from life as a downtrodden wife and reluctant royal to a self-confident and independent modern woman. Diana: In Pursuit of Love follows this journey, picking up the story where Andrew's first book left off and uses new sources and material as well as a wealth of previously unpublished matter and 16 pages of stunning photos. The book reveals the stories of figures such as her renowned lover James Hewitt, her butler Paul Burrell and Prince Charles's valet, Michael Fawcett, while intriguing comments that Diana made to Morton in taped conversations become extremely important in view of subsequent events. In Pursuit of Love is an honest, unbiased account of one of the most admired, influential figures of our era and the definitive study of Diana.

Diana: Her True Story - In Her Own Words-Andrew Morton 2017-06-22 THE SUNDAY TIMES NUMBER-ONE BESTSELLER. A reissue of this classic title brought up to date with never-before-published material from the original taped interviews and a new introduction by Andrew Morton. This edition reflects on the extraordinary circumstances surrounding the original publication, and on the long-term legacy of Diana, the woman who helped reinvigorate the royal family, giving it a more emotional, human face, and thus helping it move forward into the 21st century.

Meghan-Andrew Morton 2018-04-17 The New York Times bestselling biography of Meghan Markle, the American actress who won Prince Harry's heart. Women who smash the royal mold have always fascinated the public, from Grace Kelly to Princess Diana. Now acclaimed royal biographer Andrew Morton, the New York Times bestselling author of Diana: Her True Story, brings us a revealing, juicy, and inspiring look at Meghan Markle, the confident and charismatic duchess whose warm and affectionate engagement interview won the hearts of the world. When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in July 2016, little did they know that the resulting whirlwind romance would lead to their engagement in November 2017 and marriage in May 2018. Morton goes back to Meghan's roots to uncover the story of her childhood growing up in The Valley in Los Angeles, her studies at an all-girls Catholic school, and her fraught family life-a painful experience mirrored by Harry's own background. Morton also delves into her previous marriage and divorce in 2013, her struggles in Hollywood as her mixed heritage was used against her, her big break in the hit TV show Suits, and her work for a humanitarian ambassador-the latter so reminiscent of Princess Diana's passions. Finally, we see how the royal romance played out across two continents but was kept fiercely secret, before the news finally broke and Meghan was thrust into the global media's spotlight. Drawing on exclusive interviews with her family members and closest friends, and including never-before-seen photographs, Morton introduces us to the real Meghan as he reflects on the impact that she has already had on the rigid traditions of the House of Windsor, as well as what the future might hold. !--EndFragment--

A Dangerous Friend-Ward Just 1999-05-03 Well-meaning American civilians make an attempt at nation-building during the Vietnam War, in this "powerful" novel by a National Book Award finalist (Newsweek). Named one of the Best Books of the Year by Time and the Los Angeles Times In this "extraordinary," beautifully constructed large-canvas novel of Saigon in 1965, Ward Just takes a penetrating look into America's role in the world (The New York Times). Sydney Parade, a political scientist, has left his home and family in an effort to become part of something larger than himself, a foreign aid operation in the South Vietnamese capital. Even before he arrives, he encounters French and Americans who reveal to him the unsettling depths of a conflict he thought he understood--and in Saigon, the Vietnamese add yet another dimension. Before long, the rampant missteps and misplaced ideals trap Parade and others in a moral crossfire. "Emotionally wrenching and always beautifully observant," this is a story of conscience and its consequences among those for whom Vietnam was neither the right fight nor the wrong fight but the only fight (Entertainment Weekly). The exotic tropical surroundings, coarsening and corrupting effects of a colonial regime, and visionary delusions of the American democratizers all play their part. "A literary triumph that transcends its war story" and a New York Times Notable Book, *A Dangerous Friend* can be justly compared to Joseph Conrad's *Nostromo* or Graham Greene's *The Quiet American*—a thrilling narrative roiling with intrigue, mayhem, and betrayal (San Francisco Chronicle). "Makes you want to run screaming into the street to protest retrospectively the war he has so movingly recreated." —The New York Times

Diana-Andrew Morton 2017-06-27 A biography of Diana including family photographs, many color, never before released.

Echo House-Ward Just 1997-12-15 This family saga from a National Book Award finalist is a "brilliantly orchestrated tale of several generations of Washington, D.C., insiders" (Booklist). In this epic and acutely observed novel, three generations of a family of Washington power brokers vie for influence over the fate of the nation. In the 1930s, Sen. Adolph Behl and his wife, Constance, buy historic mansion Echo House with the vision of transforming it into Washington's greatest salon—an auspicious base camp from which the senator can launch his "final ascent," and son Axel can prepare his first. Across decades of secrets, betrayals, victories, and humiliations, the Behl family will fight to remain near the center, and behind the scenes, of American political power—from the New Deal to Watergate and beyond. "A fascinating if ultimately painful fairy tale, complete with . . . a family curve . . . The decline of the Behls represents the decline of Washington from the bright dawn of the American century into the gathering shadows of an alien new millennium." —The Washington Post "Puts the standard run-of-the-mill Washington novel to shame . . . It is Mr. Just's intimate portrait of the city that makes his book so convincing." —TheNewYork Times "Will be read in a century's time by anyone seeking to understand how we lived." —Detroit Free Press "[Ward's] stories put him in the category reserved for writers who work far beyond the fashions of the times. . . . Masterpieces of balance, focus, and hidden order." —Chicago Tribune "He has earned a place on the shelf just below Edith Wharton and Henry James." —Newsweek

Tom Cruise-Andrew Morton 2008-01-15 Andrew Morton uncovers the true story of the biggest celebrity of our age. Everyone knows Tom Cruise—or at least what he wants us to know. We know that the man behind the smile overcame a tough childhood to star in astonishing array of blockbusters: Top Gun, Rain Man, Born on the Fourth of July, A Few Good Men, Jerry Maguire, several Mission: Impossible movies, and more. We know he has taken artistic chances, too, earning him three Academy Award and Golden Globe nominations. But beyond that, the picture becomes a bit less clear... We know that Tom is a devoted follower of the Church of Scientology. We know that, despite persistent rumors about his sexuality, he has been married to Mimi Rogers, Nicole Kidman, and Katie Holmes. But it was not until he jumped on Oprah's couch to proclaim his love for Katie and denounced Brooke Shields for turning to the "Nazi science" of psychiatry that we began to realize how much we did not know about the charming, hardworking star. For all the headlines and the rumors, the real Tom Cruise has remained surprisingly hidden—until now.

Diana-Andrew Morton 2013 Explores the last five years of Princess Diana's life as she tried to develop a new identity for herself and examines the rumors that have arisen about her romantic life, her relations with the royal family, and her death.

Diana, Princess of Wales: A Biography-Martin Gitlin 2008-04-30 Long before her tragic death, Diana, Princess of Wales was a beloved modern icon, relatable to the general public in a way that transcended the barrier between royal and commoner. As a member of the royal family in an age of mass media, her fairy-tale wedding to, and painful divorce from, Prince Charles was played out on the world stage. Later, her humanitarian work for the Red Cross, her campaigns against landmines, and her work with the sick, especially AIDS victims, added a compassionate element to the royal family in the eyes of the world—and the world, ten years later, still hasn't gotten enough of Lady Di. This objective, accessible volume explores Diana's fascinating life, including her aristocratic upbringing, her whirlwind engagement to Prince Charles, her rocky marriage, her post-divorce status as global humanitarian icon, the media's frenzied treatment of her death, and her charitable legacy, including her sons' coming-of-age and their attempts to honor her memory.

Portraits of a Princess: Travels with Diana-Patrick Jephson 2004-11 Diana's private secretary shares inside information about the late princess's public journeys and personal experiences, discussing her encounters with political and religious leaders, the everyday people she strove to assist, and the legacy of her achievements. 75,000 first printing.

Wallis in Love-Andrew Morton 2018-02-13 For fans of the Netflix series *The Crown* and from the author of the New York Times bestseller *17 Carnations* comes a captivating biography of Wallis Simpson, the notorious woman for whom Edward VIII gave up the throne. "You have no idea how hard it is to live out a great romance." Wallis Simpson Before she became known as the woman who enticed a king from his throne and birthright, Bessie Wallis Warfield was a prudish and particular girl from Baltimore. At turns imaginative, ambitious, and spoiled, Wallis's first words as recalled by her family were "me, me." From that young age, she was in want of nothing but stability, status, and social acceptance as she fought to climb the social ladder and take her place in London society. As irony would have it, she would gain the love and devotion of a king, but only at the cost of his throne and her reputation. In WALLIS IN LOVE, acclaimed biographer Andrew Morton offers a fresh portrait of Wallis Simpson in all her vibrancy and brazenness as she transformed from a hard-nosed gold-digger to charming chataleine. Using diary entries, letters, and other never-before-seen records, Morton takes us through Wallis's romantic adventures in Washington, China, and her entrance into the strange wonderland that is London society. During her journey, we meet an extraordinary array of characters, many of whom smoothed the way for her dalliance with the king of England, Edward VIII. WALLIS IN LOVE goes beyond Wallis's infamous persona and reveals a complex, domineering woman striving to determine her own fate and grapple with matters of the heart.

Monica's Story-Andrew Morton 1999-08-15 Recounts how an improper relationship and broken confidences led to threats of jail, public humiliation, and prejudice in the media

Ever After-Anne Edwards 2017-11-28 "This is the stuff of fairy tales," said the Archbishop of Canterbury on July 23, 1981, after the 20-year-old Lady Diana Spencer arrived in a glass coach for her wedding to Prince Charles. But everyone knows how that fairy tale ended. Drawing upon intensive research and interviews, acclaimed biographer Anne Edwards, well-known for her revelatory and incisive books on members of Britain's royal family, here uncovers new details of Diana's life and her search for love; of her family background; and of a betrayal, historic in its outcome. What the public did not know at the time of her storybook wedding was the true story of Diana's troubled childhood of the cold, autocratic grandfather who disdained her father, who was himself an abusive husband obsessed with having a son to inherit the Spencer wealth and title. When Diana married Prince Charles, she joined the equally troubled House of Windsor, and was caught up in a plot Shakespearean in its deception and eventual tragic ending. Anne Edwards paints a vivid portrait of a woman desperate in her marriage, fearful of her life, who became devious and often brilliant-in the moves she played in a treacherous royal chess game. As in her superb biographies of other royal and celebrated women, Anne Edwards's *Ever After* transcends the one-sided views of Diana in a work that must be called definitive. At long last, and with all of the insight and narrative drama that have marked her previous bestsellers, Edwards brings us the first full-scale, authoritative portrait of a more intelligent, more resourceful, and sometimes more ruthless woman than we have seen before. "Diana's many fans are sure to be delighted by Edwards's intimate prose and detailed descriptions." - Publishers Weekly

Diana-Sarah Bradford 2007-07-05 *20th anniversary edition featuring a new afterword* Glamour, Duty, Tragedy: The Woman Behind the Princess. Sarah Bradford delivers an authoritative and explosive study of the greatest icon of the

twentieth century: Diana. After more than a decade interviewing those closest to the Princess and her select circle, Sarah Bradford exposes the real Diana: the blighted childhood, the old-fashioned courtship which saw her capture the Prince of Wales, the damage caused by the spectre of Camilla Parker Bowles, through to the collapse of the royal marriage and Diana's final and complicated year as single woman. Diana paints an honest portrait of a woman riddled with contradictions and whose vulnerability and unique empathy with the suffering made her one of the most extraordinary figures of the modern age.

Diana-Tim Clayton 2013-12-10 Based on the groundbreaking ITV/The Learning Channel documentary series, and drawn from years of research and dozens of interviews with friends and associates speaking on the record for the first time, Diana contains never-before-revealed information and stunning insights about the beloved -- and largely misunderstood -- Princess of Wales. From claims that Diana was ready to leave Charles just weeks before the wedding to her lifelong battle against depression, from world-exclusive interviews with Diana's beau James Hewitt and her "surrogate mother-in-law" Shirley Hewitt to details about the unconventional "arrangements" in the royal household -- between Diana and James, Charles and Camilla Parker Bowles -- Diana is an honest, objective, and unparalleled biography. With thirty-two photographs -- including several never before published -- Diana shows all facets of this fascinating woman: her magic, her manipulations, her dazzling public persona, and her place in her people's hearts and history.

A Royal Duty-Paul Burrell 2004-06-03 The untold story behind one of the most sensational chapters in the history of the House of Windsor. Paul Burrell fought to clear his own name. Now he reveals new truths about Princess Diana - and presents for the first time as faithful an account of her thoughts as we can ever hope to read. He was the favourite footman who formed a unique relationship with the Queen. He was the butler who the Princess of Wales called 'my rock' and 'the only man I can trust'. He was accused of theft, then acquitted following the historic intervention of the monarch. He was the Princess' most intimate confidante - and is the only person able to separate the myth from the truth of the Diana years. Now at last Paul Burrell cuts through the gossip and the lies and takes us closer to the complex heart of the Royal Family than ever before.

17 Carnations-Andrew Morton 2015-03-10 From the author of New York Times bestseller MEGHAN comes a scandalous historical drama about the secrets hidden between the royal family, Franklin D. Roosevelt, Winston Churchill, the Duke of Windsor, and Adolf Hitler before, during, and after World War II. Andrew Morton tells the story of the feckless Edward VIII, later Duke of Windsor, his American wife, Wallis Simpson, the bizarre wartime Nazi plot to make him a puppet king after the invasion of Britain, and the attempted cover-up by Churchill, General Eisenhower, and King George VI of the duke's relations with Hitler. From the alleged affair between Simpson and the German foreign minister to the discovery of top secret correspondence about the man dubbed "the traitor king" and the Nazi high command, this is a saga of intrigue, betrayal, and deception suffused with a heady aroma of sex and suspicion. For the first time, Morton reveals the full story behind the cover-up of those damning letters and diagrams: the daring heist ordered by King George VI, the smooth duplicity of a Soviet spy as well as the bitter rows and recriminations among the British and American diplomats, politicians, and academics. Drawing on FBI documents, exclusive pictures, and material from the German, Russian, and British royal archives, as well as the personal correspondence of Churchill, Eisenhower, and the Windsors themselves, *17 CARNATIONS* is a dazzling historical drama, full of adventure, intrigue, and startling revelations, written by a master of the genre.

Diana, Princess of Wales-Penny Junor 1982

Diana--The Last Word-Simone Simmons 2007-06-26 A former confidante of Princess Diana reveals details of the last years of her life, including her relationships with men, her efforts to rebuild her life after her divorce from Prince Charles, and her unfulfilled plans for the future. Reprint.

Remembering Diana-Tina Brown 2017 "For the millions who adored the People's Princess, this lavish book celebrates Diana Spencer's life in pictures. Page after page of inside photos from the legendary National Geographic archives document the royal's most memorable moments in the spotlight; a luminous, personal remembrance by Diana friend and biographer Tina Brown adds context and nuance to a poignant life twenty years after her tragic death. Float down memory lane through more than 100 remarkable images of Diana, from her days as a schoolgirl to her engagement to Prince Charles, the birth of Princes William and Harry, and her life in the media as an outspoken advocate for the poor, the sick, and the downtrodden. This elegant book features reflections from those who knew her best, recollections from dignitaries and celebrities like Nelson Mandela and Elton John, and personal insight through the princess's own words. Published to commemorate the twentieth anniversary of Diana's death, this richly illustrated book is a beautiful ode to one of the world's most beloved women."--Provided by publisher.

The Real Diana-Lady Colin Campbell 2013-08-06 "When I met Diana at a mutual friend's house in 1990, I was astonished by her conduct. Up to this point, the Diana I had encountered was a princess who had behaved very much in keeping with the forms and traditions of royalty. In social situations, she was as circumspect as the rest of them, as indeed all ladies are.... "Now, however, she was the antithesis of circumspect. Throwing caution and reserve to the wind, she said that she wanted me to write the truth about her life 'because I feel as if the whole fairy tale is crushing whatever's left of the real me.... If you'd just write about the real Diana, it would make all the difference.'" --Lady Colin Campbell Who was the real Diana? What was it like to be so privileged yet so anguished, so beloved yet so self-loathing, so spoiled yet so despairing? The Princess of Wales was all these things--far more complicated, conflicted, and intriguing a person than the wildly disparate saint or lunatic she is frequently portrayed to be. Royal insider Lady Colin Campbell sets the record straight on many of the most controversial aspects of Diana's turbulent life: how Charles and Diana's engagement came to pass, though it seemed ill-advised to those closest to both of them; what their honeymoon was really like; the truth behind Diana's bulimia, her widely reported suicide attempts, and her obsession with Camilla Parker Bowles; Diana's search for love and fulfillment with numerous men before, during, and after her marriage; her brilliant manipulations of the press; and her relationship with Dodi Fayed. Lady Colin Campbell's New York Times bestselling biography Diana in Private was the first to expose the truth about Diana and her troubled marriage. In *The Real Diana*, she reveals that the reason she knew so much about what went on behind the palace gates was because Diana herself was the source. Drawing upon these confidences--as well as on conversations with countless people who knew Diana and with Diana herself in the final years of her life--Lady Colin Campbell combines true insight with true compassion to bring us the most intimate and revealing portrait of the Princess of Wales that we will ever have.

Diana-Ken Wharfe 2002 The royalty protection officer who was responsible for guarding Princess Diana for nearly seven years discusses the events of her troubled life during that period and offers his insights into her complex character.

Diana in Private-Lady Colin Campbell 1992-01 An English aristocrat from inside the royal family's exclusive circle reveals startling information about Princess Diana's life, discussing rumors of her eating disorder, her marriage to Prince Charles, and more. Reprint.

Angelina-Andrew Morton 2010-07-31 The gripping true story of Angelina Jolie, from #1 New York Times bestselling biographer Andrew Morton. "I like to collect knives," says Angelina Jolie, "but I also collect first edition books." At first glance, she might seem to be someone without any secrets, talking openly about her love life, sexual preferences, drug use, cutting, and tattoos--and why she kissed her brother on the lips in public. And yet mysteries remain: What was really going on in her brief, impulsive marriages to Jonny Lee Miller and Billy Bob Thornton, and what was going on in her partnership with Brad Pitt? What's behind the oft-reported feud with her father, the Oscar-winning actor Jon Voight? What drove her to become a mother of six children in six years? And--perhaps most puzzling of all--what about the other side of Angelina: How did this talented but troubled young actress, barely 35 years old, become a respected Goodwill Ambassador for the United Nations as well as the "most powerful celebrity in the world" (unsating Oprah Winfrey) on Forbes' 2009 Celebrity 100 list? The answers that Andrew Morton has uncovered are astonishing, taking us deep inside Angelina's world to show us what shaped her as a child, as an actress, and as a woman struggling to overcome personal demons that have never before been revealed. In this spellbinding biography, Andrew Morton draws upon far-reaching original interviews and research, accompanied by exclusive private photographs, to show us the true story behind both the wild excesses of Angelina's youth and her remarkable work with children and victims of poverty and disaster today.

Posh & Becks-Andrew Morton 2007-07-24 SHE IS A FASHION ICON WITH A LUST FOR FAME. HE IS POSSIBLY THE MOST FAMOUS ATHLETE ON THE PLANET. Together they are one of the most loved -- and hated -- pairs on Earth. This sensational, highly addictive biography delves beneath the Beckhams' glossy, glamorous facade to expose the real Posh and Becks behind the headlines and the hype. Celebrity biographer Andrew Morton, hailed for his insightful, in-depth coverage of luminaries such as Princess Diana and Madonna, explores in detail how David and Victoria Beckham followed their passions -- football and fame -- to become two of the most recognizable people in the world. From their individual childhood stories of relentlessly pursuing their dreams to achieving fame together on an international level, Posh and Becks have earned their unofficial titles as the "King and Queen of Popular Culture," and they never disappoint their fans -- or the tabloids -- when it comes to making news. Their whirlwind courtship, "royal" wedding, alleged affairs, and family struggles have been lived out under the glare of flashbulbs, which they seem to simultaneously court and shun as they attempt to balance their personal lives with their public personas. With up-to-date coverage and commentary on all things Beckham, including David's disappointing stint at Real Madrid and the family's relocation to Los Angeles, Posh & Becks lays bare the truth behind the tabloids on this fascinating couple.

Diana Princess of Wales (A True Book: Queens and Princesses)-Robin S. Doak 2020-11-10 A True Book: Queens and Princess tells the stories of women who were born or married into royalty. Who were these women who ruled nations and kingdoms and touched the lives of their people?

The Royals-Kitty Kelley 2009-10-31 *The #1* New York Times bestselling, controversial portrait of the British royal family -- as told from behind the palace walls -- for fans of Netflix's *The Crown* and all royal watchers They are the most chronicled family on the face of the globe. Their every move attracts headlines. Now Kitty Kelley has gone behind the scenes at Buckingham Palace, Windsor Castle and Kensington Palace to raise the curtain on the men and women who make up the British royal family. Queen Elizabeth, Prince Charles, Princess Diana...here are the scandals of the last decades: the doomed marriages and the husbands, wives, lovers and children caught in their wake and damaged beyond repair. No one is spared.

WILLIAM & CATHERINE-Andrew Morton 2011-05-17 The best-selling author of Diana: Her True Story now covers the the marriage of Princess Di's son, Prince William, to Catherine Middleton, in a book that includes full-color photos and 32 pages of wedding coverage.

Leon Russell In His Own Words-Leon Russell 2019-07-25 A fascinating treasure trove of never-before-published material, written byt the Master of Space and Time himself. Delving into an extensive file of interviews given by Leon's friends

and fellow musicians, editors Steve Todoroff and John Wooley have taken Russell's remembrances and enhanced them with the words of many who were with him during those years. The result is a one-of-a-kind book that uniquely captures the kaleidoscopic rock 'n' roll scenes of the '50s, '60s, '70s and '80s, giving it all to us in the voice of a music legend and Rock and Roll Hall of Famer...with a little help from his friends!

The Diana Chronicles-Tina Brown 2007-06-12 Years after her death, Princess Diana remains a mystery. Was she "the people's princess," who electrified the world with her beauty and humanitarian missions? Or was she a manipulative, media-savvy neurotic who nearly brought down the monarchy? Only Tina Brown, former Editor-in-Chief of Tatler, England's glossiest gossip magazine; Vanity Fair; and The New Yorker could possibly give us the truth. Tina knew Diana personally and has far-reaching insight into the royals and the Queen herself. In The Diana Chronicles, you will meet a formidable female cast and understand as never before the society that shaped them: Diana's sexually charged mother, her scheming grandmother, the stepmother she hated but finally came to terms with, and bad-girl Fergie, her sister-in-law, who concealed wounds of her own. Most formidable of them all was her mother-in-law, the Queen, whose admiration Diana sought till the day she died. Add Camilla Parker-Bowles, the ultimate "other woman" into this combustible mix, and it's no wonder that Diana broke out of her royal cage into celebrity culture, where she found her own power and used it to devastating effect.

The Murder Of Princess Diana-Noel Botham 2004 Argues that the death of Princess Diana was not accidental, examining events and circumstances surrounding the car accident and the subsequent investigation. Reissue.

Princess in Love-Anna Pasternak 1995

Andrew, the Playboy Prince-Andrew Morton 1983
